

# UW-Whitewater Drumline Auditions 2010

## Audition Requirement Information

- Auditions are for PLACEMENTS ONLY. If you register for Marching Band(MUSC 169-01) you are IN THE ENSEMBLE!
- **You MUST mark time while playing your audition.**
- We want and need good people in EVERY SECTION!!! Several factors, including (but not limited to) tempo stability, marching consistency, cleanliness of technique, and needs of the ensemble as a whole, will help us determine where you will be placed.
- Those of you auditioning for the Front Line (Pit) may be asked to play cymbals for pregame and parades (only one parade). It's not overly taxing, and is a lot of fun!
